County and City to Host Public Meeting on Maybank Highway and Main Road Zoning Project

Charleston County and City of Charleston Planning Departments will host a second Johns Island public workshop on the proposed Maybank Highway and Main Road Zoning District. The workshop will provide staff with public input regarding land use, zoning, and development standards along Maybank Highway and Main Road.

The August 23 workshop will focus on the Johns Island portion of Maybank Highway and will include Main Road.

- **August 23: 6:00 PM – 8:00 PM St. John’s High School, 1518 Main Road, Johns Island, SC 29455**

The purpose of this collaborative planning effort is to create consistent land use, zoning, and development requirements between the County and City, and for the County to create a new Main Road Overlay Zoning District. Attendees will be encouraged to provide feedback through a community survey, comment cards, and a public comment session. This is the third public workshop regarding the Maybank Highway and Main Road corridors, which will take place over the next year. For additional information regarding the Maybank Highway and Main Road Zoning Project please visit the project page at <https://tinyurl.com/yc4337yd>.
